

SUPPORT FOR FAMILIES

Talking Together

**First Wednesday of every month
10am in the Community Hub**

Meet with Miss Gledhill who will be offering strategies and activities to boost your child's language during everyday interactions in the home learning environment

Speech, Language and Communication

The most common type of additional support identified in primary schools. Early intervention is crucial in supporting children's communication (and preventing problems) in the early years, as well as identifying language difficulties early on

See Miss Gledhill today to book your session of support
