### Mrs Marshall's Messages:

Thank you all so much for joining us for our Easter service yesterday. It was brilliant to see so many of you. The speakers and singing were truly lovely. I was really proud of everybody yesterday, it is a privilege to be part of our Chiltern Community.

A huge thank you also for your incredible support with the Easter competition! We had so many wonderful entries, it was certainly a challenge for the judges to choose.

The children will receive an Easter Egg today which has been generously donated by The Yorkshire Children's Charity.

We hope you all have a very restful break, and thank you again for your continued support.

## This week's talking task:

## TAKEHOME

31st March  
- 6th April

Should stadiums be used for more than just football?

**British Values**

### Democracy

It's important for big decisions, like building a new stadium, to involve local communities. By holding meetings and using surveys, everyone's voices can be heard.

### Protected Characteristics

Both men's and women's teams can share new stadiums, showing that all players should be valued and treated fairly, no matter their sex.

## In the news this week

English football club, Manchester United, has announced plans to build the biggest stadium in the UK. The new stadium will cost around £2 billion, seat 100,000 spectators and will also be used for many other things, including concerts. It is thought the new development will be built close to the club's existing stadium, Old Trafford. Once it's ready, the current Old Trafford stadium may be demolished.

### Things to talk about at home ...

- > What is the closest football stadium to where you live? Is it ever used for things other than football?
- > Do you enjoy watching football or other sports? Have you ever been to a game in a stadium or perhaps visited one? Ask someone at home to share their experience.
- > Share your thoughts on the new stadium. Do you think it is a good idea?
