Dear Chiltern Families,

I am retiring from my role as Executive Headteacher of Chiltern at the end of this term.

I have really enjoyed working with the team at Chiltern over the last 6 years, and we have seen quite a bit of change. Chiltern has really embraced and welcomed all families and the community into school and that has made a really positive difference for everyone I think. We are all working together for the very best of all the children and I have really loved that and feel proud of it. The children at Chiltern get such a great deal and a strong start to school with a broad and full education and that is so important to enable happy and successful futures.

Mrs Mitchell will work with the school as the School Development Lead from September, supporting the Chiltern team. Led by Mrs Marshall, with the support of Mrs Lundie and Miss Gibson, I know the whole team at Chiltern will keep working for the very best of all your children.

I wish you all well for the future and thank you for the support I have received in my role at Chiltern.

With very best wishes

Kath Roe
