## Chiltern Primary School Weekly Newsletter

Friday 28th March 2025

Vol. 4 Issue 5

### Mrs Marshall's Messages:

We had an inspiring assembly focusing on the importance of using our learning muscles, not giving up, and always trying our best. We reminded the children to embrace challenges and understand that with effort, they will improve over time. This mindset fosters resilience and a love of learning. Please take a moment to discuss these ideas with your child at home and celebrate their efforts, no matter the outcome. Reinforcing this positive attitude helps them succeed both academically and personally.

Thank you for your continued support. Together, we can help our children thrive!

## In the news this week

World leaders from around twenty countries are creating a group or 'coalition'. According to UK Prime Minister, Sir Keir Starmer, they will work together to support Ukraine. Their collective aim is to end the war between Ukraine and Russia. The new group setup follows a difficult meeting between Ukraine's President, Volodymyr Zelensky, and US President, Donald Trump. The two leaders argued, and the meeting ended without a solution.

### Things to talk about at home ...

- Share your knowledge of world leaders and talk to others at home about theirs.
- In your opinion, how important is it for world leaders to work together? In what areas do you think they need to work together?
- What about their role in helping other countries – do you feel this is always important?
