

Tuesday 3rd October 2023

Dear Chiltern Families,

Pedestrian Skills/Road Safety Training

Our School, in Partnership with Hull City Council Road Safety and First Step Cycle, is taking part in a Pedestrian Skills Training Scheme on **Thursday 23rd November and Thursday 30th November. The training will last for an hour, each session.** Your child is being offered the opportunity to take part in this scheme which involves teaching your children road safety skills at the roadside. The children will be supervised and will be wearing high visibility tops whilst being trained **both by a Road Safety Instructor and School staff.**

In order for the training to take place, please can you complete the google form giving consent for your child to take part. Please complete the google form as soon as possible. **Please note that we cannot train your child unless you return this form.**

Please remember that Road Safety Training is a long-term process and is preparing children for future safety on the road. We **ALWAYS** recommend that children are supervised by a responsible adult whenever crossing the road at all times.

If you have any questions about the training, please email Hull City Council on roadsafety@hullcc.gov.uk .

Yours sincerely,

Miss McKinley and Miss Harrison

Executive Head: Mrs K Roe
Head of School: Mrs Jacqui Marshall
