Vol. 5 Issue 4

Mrs Marshall's Messages

I would like to say how proud we are of our Year 6 students for their hard work and positive mindset during SATs. To celebrate their efforts, they enjoyed a fun PE session and an ice lolly today! A big thank you to the other classes for maintaining a quiet atmosphere in school, which allowed our children to concentrate.

We are all looking forward to Wednesday and are ready to celebrate and learn about various cultures from around the world. It's a wonderful opportunity for our children to appreciate and celebrate diversity.

Thank you for your support!

Don't forget if you have a child who is turning three years old, please sign up for a place in our Foundation stage- collect a form from the office.

Upcoming diary dates:

Monday 19th May Year 6 Bikeability starts

Wednesday 21st May Celebrate World Culture Day (see poster below)

Every day Counts

Foundation Stage -FMP 97.3%
Key Stage One - 1AT 99.4%
Lower Key Stage Two - 3RH 99.0%
Upper Key Stage Two - 6PC 100%

Well done all of our
Wheel of Fortune
winners this week!

Well done to this
Year 2 child who
won the raffle
prize this week.
418 pupils got
100% attendance
this week!

We are celebrating
World Day for Cultural Diversity on
Wednesday 21st May 2025

Wear your cultural clothes, colours
of your countries flag or colours of
your favourite country.

Let us celebrate our diverse school!

This week's talking task:

TAKEHOME

12th - 18th May

What everyday items could be changed to help others?

Dhruv Chaudhary, Mithran Ladhania, and Mridul Jain

Mutual Respect & Tolerance

By learning about issues in our world, we can identify people in need and work together to think of and create solutions.

Protected Characteristics

Sex

Sexual Orientation

Age

Disability

Gender Reassignment

Marriage and Civil Partnership

Pregnancy and Maternity

Race

Religion or Belief

Young people should be listened to and taken seriously, as their ideas can make a positive impact on the world. We all deserve to be heard, no matter our age.

In the news this week

Three teenagers from Indore, India – Dhruv Chaudhary, Mithran Ladhania, and Mridul Jain – have created a salt-powered fridge. Their goal is to support hospitals in rural areas around the world that lack access to electricity. Their invention, called the Thermavault, was submitted to The Earth Prize, a global competition which aims to inspire young people to solve world-wide problems.

Things to talk about at home ...

- > Share your thoughts on the new fridge invention. Who do you believe will benefit most from it?
- > Make a list of everyday items at home. Which make your life easier?
- > Can you think of an item you use that could be improved? How?
