Murton Park Stone Age in school experience

Dear Chiltern Families,

Year 3 have been given the fantastic opportunity for the staff from Murton Park to visit Chiltern Primary School on **Wednesday 22nd November 2023**. The morning will consist of listening to a lively and interesting talk by one of the experienced team members, handling replica artefacts and hands-on activities for the children to take part in. This experience will enrich their history learning about the Stone Age period and help to develop their understanding of life in the past.

The cost of the experience to take part in the Stone Age Experience morning will be **£4.50 per child**.

The office will be sending further information regarding the payment for the morning.

Kind regards,

Miss Harrison and Miss McKinley
