

## Parent Survey

16th January 2024

Dear Chiltern Families,

Thank you to all those who took part in the **recent parent** survey. We had 122 responses which was great. We have reviewed the results and would like to share with you some key successes and ways forward.

### 2023

This year, these are just some of the things you told us we are doing well:

- **My child is happy at this school.**
- **My child feels safe at this school.**
- **The school supports my child's wider personal development**

These are the things you would like to see improve:

- **We will create more opportunities for your voice to be heard and have an impact on what we do.**

We will improve daily communications, thinking carefully about the amount of information parents receive via text (so there is the right balance- not too many or too little text messages) and ensure we plan activities such as trips, parent sessions and events with as much notice as possible.

- **The school has high expectations for my child.**

In all correspondence, and events such as parents' evenings, lessons and assemblies we will use the language of high expectations, and explain what we mean in each instance, to make it explicit that we have very high expectations for our children here at Chiltern.

- **My child has been bullied and the school dealt with the bullying quickly and effectively**

The Junior Leadership Team will continue to raise the awareness of the terminology of bullying, this will be shared during parent partnership days, assemblies and newsletters.

As a school we are continually wanting to improve, this is why your feedback is so important to us. We will update you on the progress we are making and invite you to give us more feedback at a later date.

Yours sincerely

J Marshall  
Head of School
