A Creative, Cooperative Community

Chiltern Primary School Weekly Newsletter

Friday 10th February 2023 Vol. 3 Issue 6

Mrs Marshall's Messages:

Today Year 6 presented the assembly all about Autism. This continues our theme of caring for others and celebrating how we are all special and unique. The assembly was really informative and the children delivered it very well. Thank you Year 6!

This week KS2 children learnt about the drums, the history of them and different ways to play them. This assembly work shop was presented by Jeff Rich, a drummer who had played with Status Quo, Def Leppard and Squeeze! This was a fantastic experience for the children to enjoy.

Have a restful half term. Thank you for your support this term.

Upcoming diary dates:

Friday 10th February - close 3pm for half-term

Monday 20th February - school reopens 8:40am

Thursday 2nd March - World Book Day (Pyjama and bedtime story theme)

Monday 6th March- SCHOOL CLOSED FOR TRAINING

Design and Technology at Chiltern

Design and Technology at Chiltern is a journey through the design process. This means we research a product and create a design criteria, produce some initial design ideas, test products and processes, modify and produce a final design, make our own product and evaluate and appraise it. Children are always excited to do D&T and it can vary in form from sewing and woodwork to cooking and mechanisms.

Children's Achievements in School!

Every week, children are chosen to receive certificates that fit in with our Learning Muscles. This week some of the children are:

FMG working cooperatively to retell the story of 'Dear Zoo' with Carol.

2PM working cooperatively to create a dream bird in their Jigsaw lesson this week.

Keep Improving Be Cooperative Be Curious Don't Give Up Enjoy Learning Have a Go Imagination Concentrate
