

As **SCIENTISTS** we will be:

Exploring animals, including humans (biology), including:

- Diet, drugs and exercise.
- Nutrients.

As **WRITERS** we will be:

Developing our use of the new punctuation and grammar elements of writing in Year 6, and applying these to a range of genres.

We will use a variety of stimuli to underpin our writing, including images, stories and videos.

We will also work on producing writing for a real purpose so they we can publish our work.

As **READERS** we will be:

Advancing our comprehension skills reading *Who let the Gods out?* By Maz Evans, along with our work on Reading Plus., Accelerated Reader and Lexia.

As **MUSICIANS** we will : Listen with attention to detail and recalling sounds with aural memory. We will also play and compose music linked with Geography with Mrs Hatton.

In **Spanish** we will be learning how to describe the weather.

## What was the legacy of the Ancient Greeks?

Year 6 Spring Term 2023

In **COMPUTING** we will be:

Learning how to use Google Classroom, including submitting work online. We will also become familiar with Gmail.

In **P.E.** we will be:

Continuing to strive to improve our fitness by taking part in a physical activity each day, such as running the daily mile. We will also use our experiences to develop our own workout routines. PE is on Monday and Wednesdays. Please bring you kit to school.

In **Jigsaw** we will be:

Considering our dreams and goals, setting ourselves achievable targets with a well-thought out plan to ensure success. These will cover both educational and personal targets, to guide us towards being the best version of ourselves. We will be looking at Healthy Me Focusing on drugs and alcohol education, self-esteem and confidence as well as healthy lifestyle choices.

As **MATHEMATICIANS** we will be:

Exploring patterns and relationships in numbers, to support our mental addition and subtraction calculations.

We will then use a very similar approach to begin to understand written calculations involving addition and subtraction.

We will further continue to learn our times table facts up to 12x12, with accuracy and speed. This can be supported using TTRS at home.

In **R.E.** we will be:

Exploring issues of justice and freedom .

Exploring religious teachings of forgiveness and reconciliation.

In **Art** we will be:

Creating artwork through the technique known as marbling, linking this with the history topic, 'The Ancient Greeks'.

As **Geographers** we will be:

Studying **Vegetation belts** in North & South America & the UK, looking at their geographical features, as well as their human use and impact.
