

Year 5

Summer term
2023

Where does water come from?

In **JIGSAW** we will be:

Learning and thinking about relationships in Summer 1.

In Summer 2 we will be learning and thinking about changing me.

As **WRITERS** we will be:

Developing our use of grammar and punctuation elements of writing in Year 5, and applying these to a range of genres.

We will be using the book *Chocolate Cake* by Michael Rosen to infer character's feelings, thought and motives.

After, we will move onto *The Scarab's Secret* by Nick Would as a stimulus for writing, covering a variety of genres.

As **READERS** we will be:

Reading *The Mystery of the Colour Thief* by Ewa Jozefkowicz. We will be using our inference skills to explore the meaning behind the book.

We will also use the book to answer comprehension questions.

In **P.E.** we will be: We will continue to work with Mr Nicklin on a Friday afternoon, working on our running, jumping, throwing, catching & striking skills. We will also be working on collaborating as a team.

In **D&T** we will be: Making bridges, we will investigate how bridges are created and their structure. We will explore the work of artists and designers to influence our own bridge design.

In **Spanish** we will be: learning all about the subjects we study. During Spanish we will be speaking and writing to describe the subjects both independently and collaboratively.

As **MATHEMATICIANS** we will be:

Learning about factors, multiples and primes.

We will further continue to learn our times table facts up 12 X 12 with accuracy and speed. This can be supported using TTRS at home.

As **GEOGRAPHERS** we will be learning about rivers in Europe and UK.

As **HISTORIANS** we will be learning all about Ancient Egyptians.

In **R.E.** we will be: learning about Pilgrimages.

In **MUSIC** we will be: continue to work with Mrs Hatten to play the trumpet or trombone and prepare ourselves to perform to parents and carers later on in the term.
