Chiltern Primary School Weekly Newsletter

Friday 3rd October

Vol. 1 Issue 5

This weeks message-

It was wonderful to see so many of you at our Parents' Evenings! Your support really makes a difference to our children's education.

I hope to see you again at our Parent Partnerships sessions again, as they will begin next week. This is a fantastic opportunity for you to join us in the classroom and engage with your child's learning directly.

Your involvement helps create the best environment for our children to succeed. I encourage you to participate, as it not only benefits your child but strengthens our school community.

If you have any questions about these or anything else, please feel free to ring the school office. Thank you for your continued support!

This week's talking task:

Let's look at this week's story

Running charity, parkrun, has announced a new project called parkrun primary, which is bringing junior running events closer to primary schools. The aim is to give children more chances to run or walk and volunteer on weekends in a fun, free, and inclusive way. Organisers say it's not just about fitness, but also about helping children build friendships, confidence, and life skills in their local community.
