

A Creative, Cooperative Community

Chiltern Primary School Weekly Newsletter

Friday 10th October

Vol. 1 Issue 6

This weeks message-

I hope you are well. Thank you to all who came to share learning with Year 5. It was wonderful to see the joy on our children's faces as they engaged with their families. I also appreciate the Foundation parents who attended Mrs Andrews' phonics session. Your involvement is vital, and your help will ensure the children learn their phonics sounds quickly and learn to read. Cook and share was lovely yesterday as families shared food together in the community hub.

Next week, there will be more opportunities for other year groups to share learning together, and I encourage you to join in. Your support truly enhances our children's learning experiences. Thank you once again for your support and engagement.

Just a reminder - please walk bikes and scooters on the school paths for safety of all.

Jacqui Marshall

Upcoming diary dates:

all of our Wheel of
Fortune winners
this week!**

**Well done to this
Year 3 child who
won the raffle prize
this week. 394
pupils got 100%
attendance this
week!**

What's happening in the news this week?

Let's have a look at this week's poster!

6th - 12th October 2025

This week's talking task:

Let's look at this week's story

Ellie Goldstein, a 23-year-old model from Ilford, has been announced as a contestant on Strictly Come Dancing. She is the first person with Down's syndrome to take part in a full series of the show, having already made history as the first model with Down's syndrome to appear on the cover of British Vogue. Ellie says she's excited for the challenge and hopes to show that people can do amazing things, even when others don't expect them to.

ASSEMBLY RESOURCE

Read through the information below, all about Ellie Goldstein.

Early Life

Ellie was born in Ilford in 2001 and has Down's syndrome, which is a condition some people are born with. Down's syndrome affects a person's learning ability and physical features; it is not a disease or illness. People who have Down's syndrome have their own personalities and strengths, just like anybody else. Doctors once told Ellie's parents she might never walk or talk.

Ellie Goldstein's Journey

Big Break

In 2020, Ellie became the first model with Down's syndrome to feature in a campaign for the fashion company, Gucci. In 2023, she appeared on the cover of British Vogue, making history again. She said modelling makes her feel confident and proud.

Growing Up

Ellie loved fashion and performing from a young age and started modelling as a teenager. She then joined an inclusive talent agency that celebrates difference.

Strictly Come Dancing 2025

At 23 years old, Ellie was chosen as a contestant on Strictly Come Dancing and is the first person with Down's syndrome to take part in the full show. Ellie says she wants to prove people wrong and inspire others to believe in themselves.

Can you think of one goal or dream you would like to achieve, even if it feels hard?

Hull Fair

Fun at the fair – but let's stay safe together!

Stay With Your Grown Ups

- 👉 Always stay with your parents, carers, or teacher.
- 👉 If you can't see them... they can't see you!

Safe People

• If you get lost, find a SAFE person:

- 🚔 Police Officer
- 🚒 Security staff (high-vis jacket)
- 🎫 Fairground staff at rides/stalls

Helpful Idea: Take a Picture

📷 Before the fair, parents should take a photo of you.

👍 This helps us know what you're wearing if you get lost.

What To Do If You're Lost

- ✓ Stay where you are.
- ✓ Don't leave the fairground.
- ✓ Ask a SAFE person for help.

- **Hull Fair is amazing – stay safe and enjoy!**
-  **Humberside Police are here to help.**

Monday 13th Oct - Friday 17th Oct

Parent Workshop

Helping your child with anxiety

This workshop covers:

How to respond to and support your child with regulating and managing their anxiety whilst being compassionate to yourself as a parent.

Aims and objectives:

Build a greater understanding of anxiety.
Learn what anxiety in children looks like and develop techniques/strategies to respond to anxious behaviours and anxiety symptoms.
